Generating Statement 3 with a list of accomplishments

Persons pursuing research activities in a single discipline

Pursuant to the Rector's Regulations No. 4/2020 of 29/01/2020 and No. 7/2020 of 5/02/2020, persons conducting scientific activity at the Warsaw University of Technology are required to submit a declaration authorizing the Warsaw University of Technology to list their achievements within the specific disciplines indicated in the declarations No. 1 and No. 2. The declaration shall be submitted by 31 January each year. The statement shall be accompanied by a list of scientific achievements achieved during the period of employment at the Warsaw University of Technology, generated from the Knowledge Base of Warsaw University of Technology, in accordance with the specimen given in Appendix 3 to the Regulation.

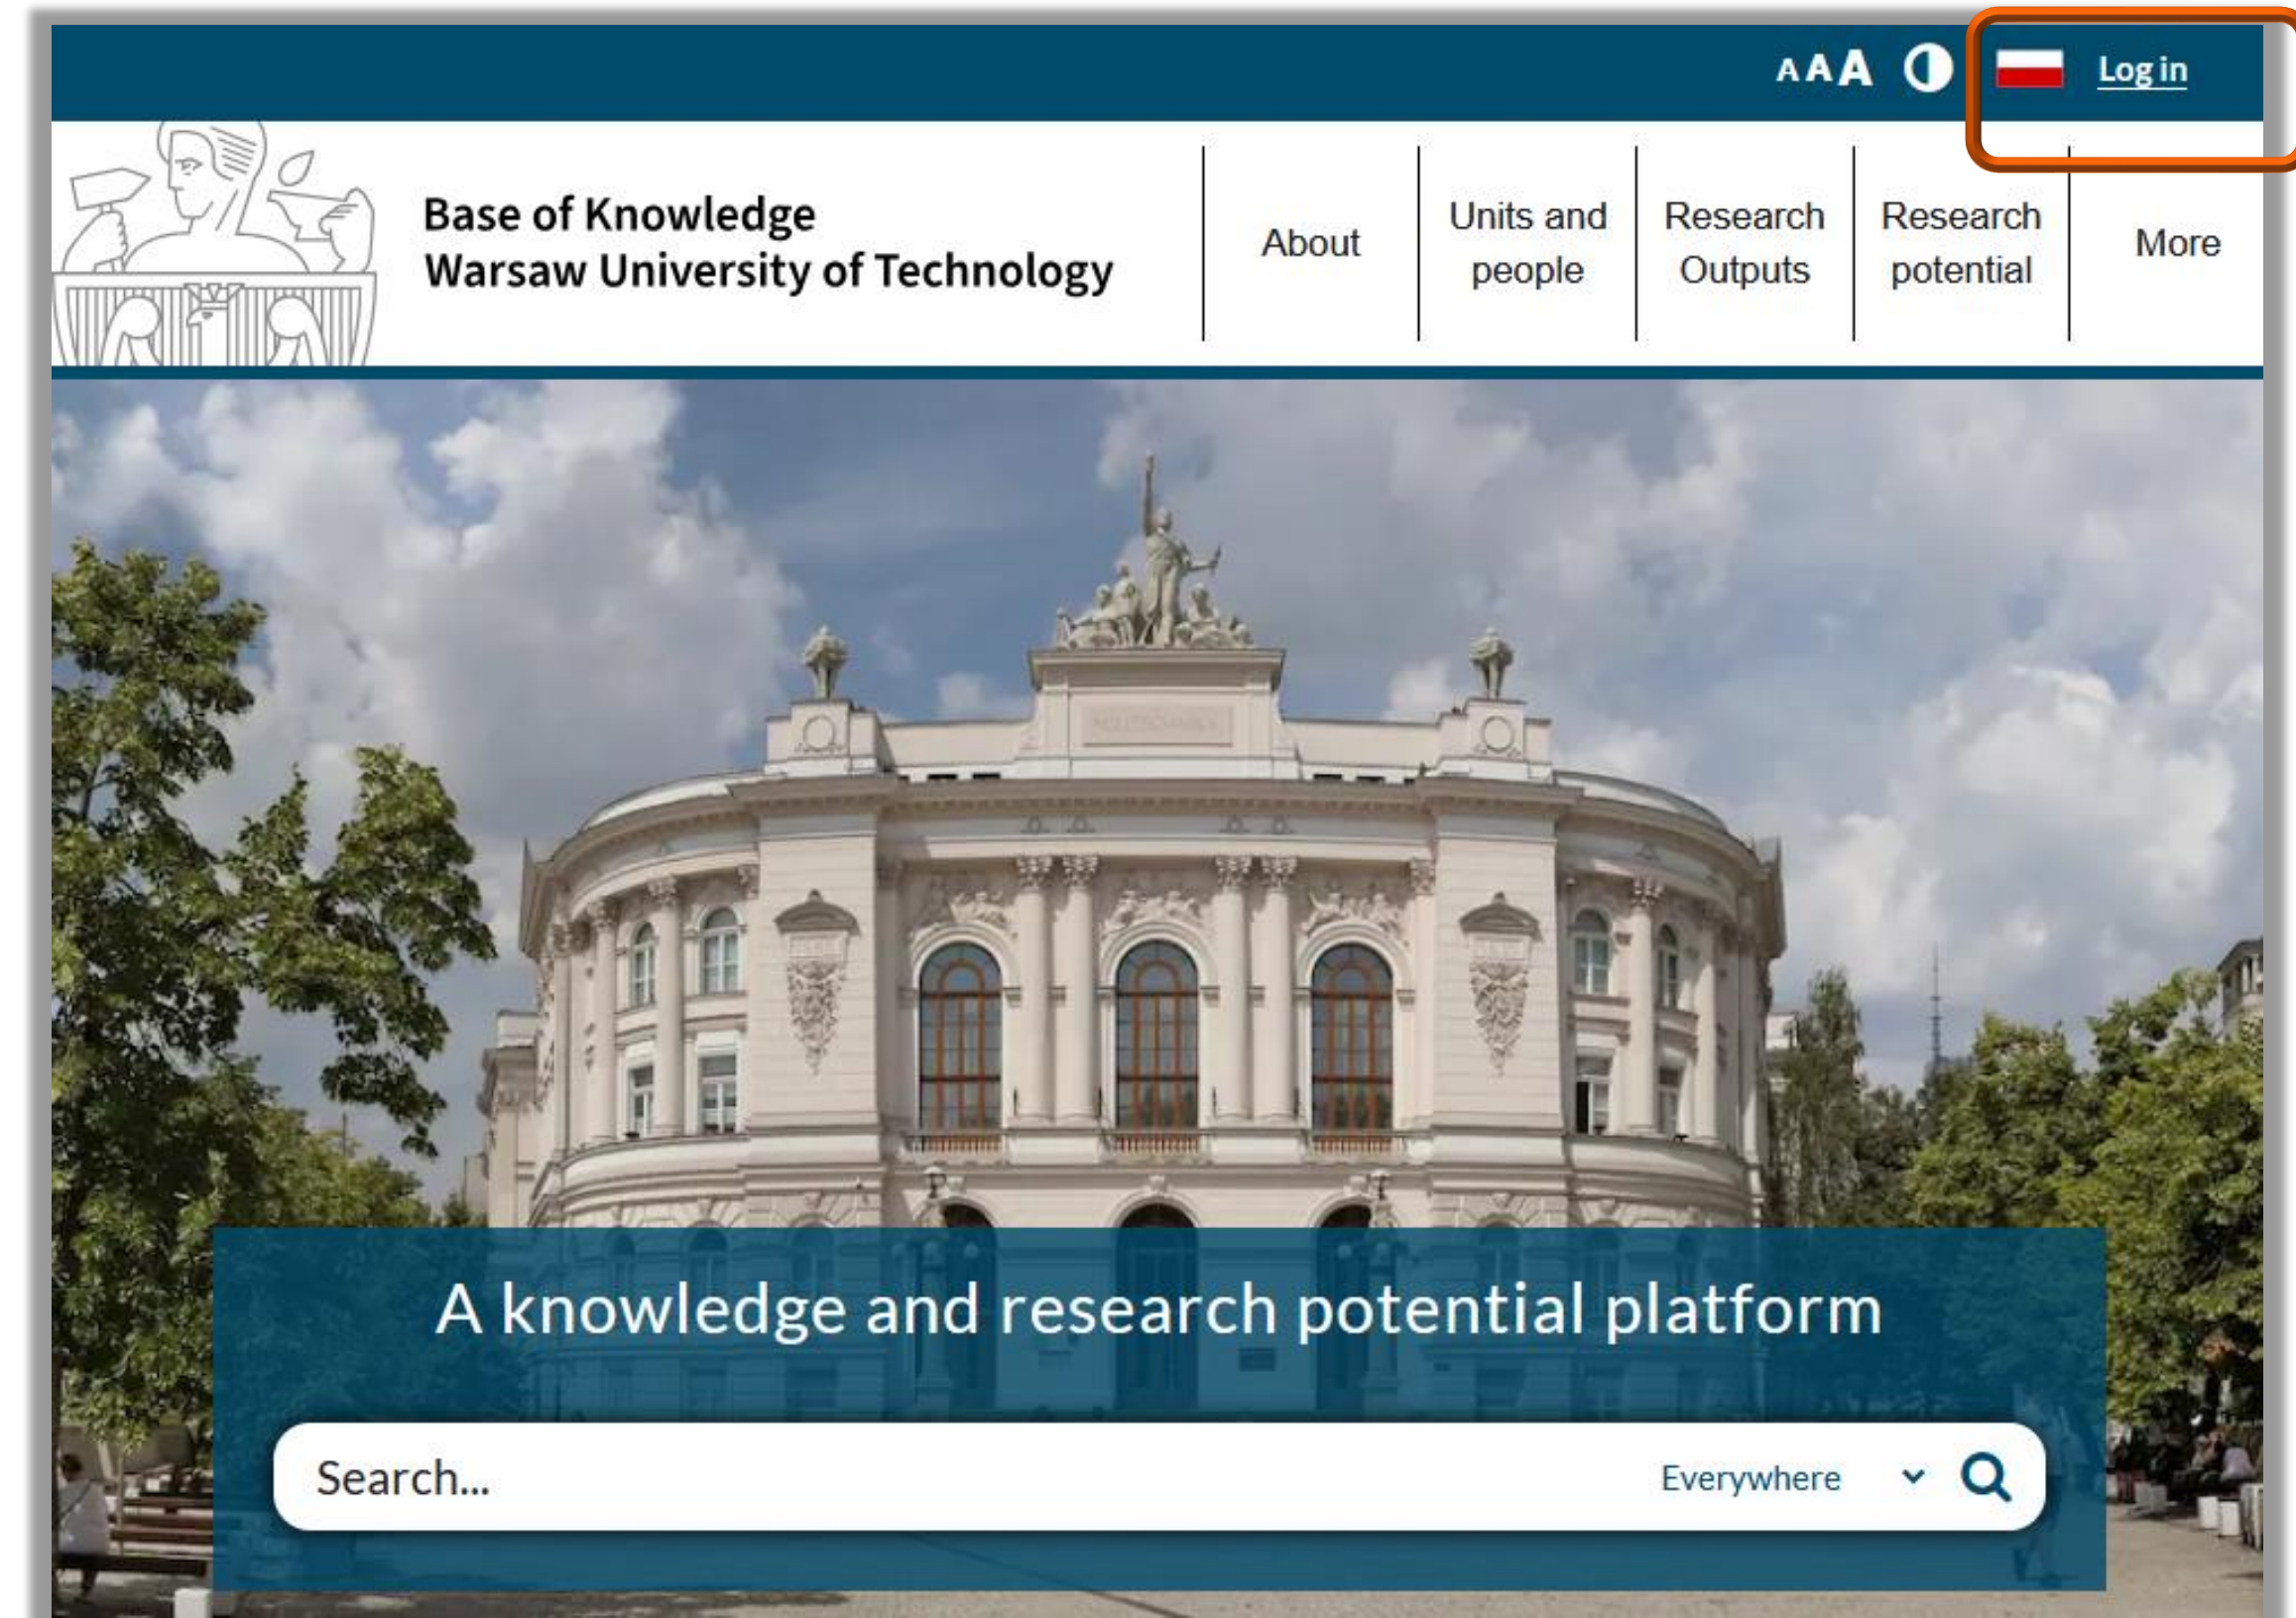

Statement includes patents for inventions and utility models

Logging into Knowledge Base of PW

1. Go to the PW Main Library website, go to the PW Knowledge Base tab, and then log in by entering your data:
 - **ID** – employee's email address (if entered in USOS) or PESEL number
 - **Password** - the same as the one used to log in to the USOSWeb system

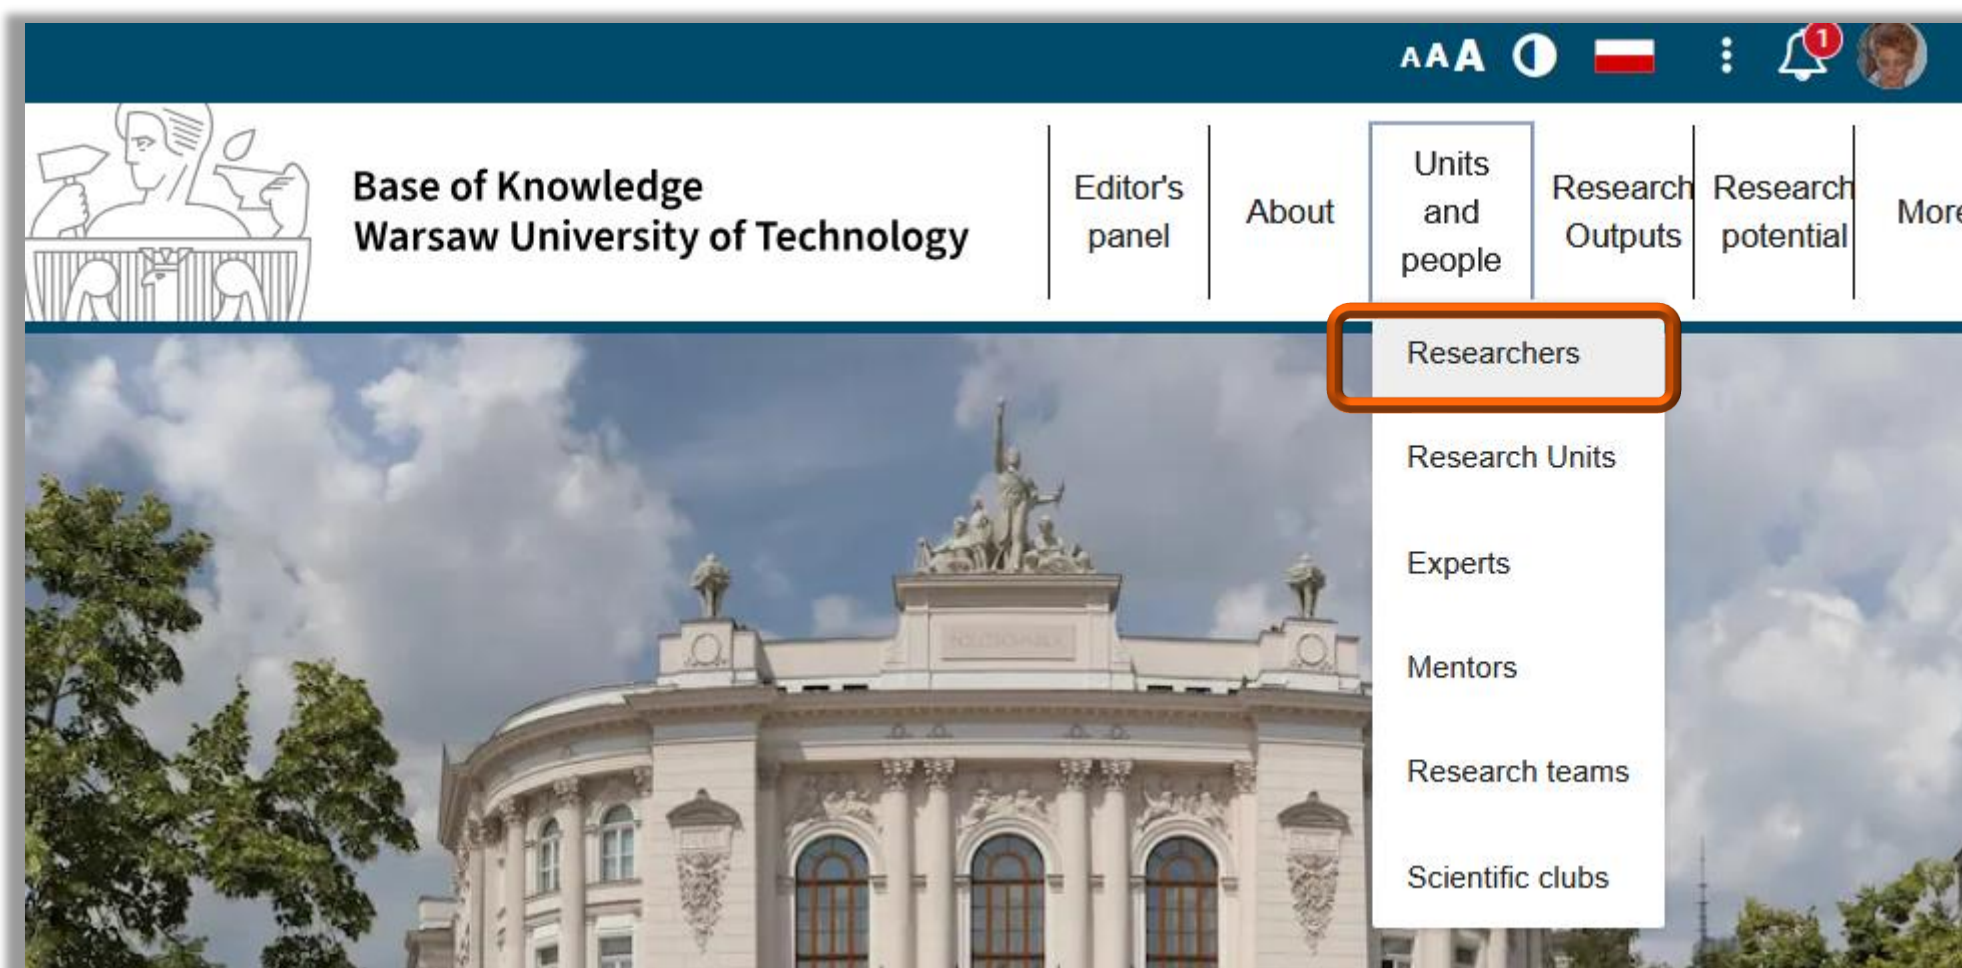

Persons who do not have a USOSWeb account should report to the Dean's Office at their faculty

Searching for the author profile in the Knowledge Base

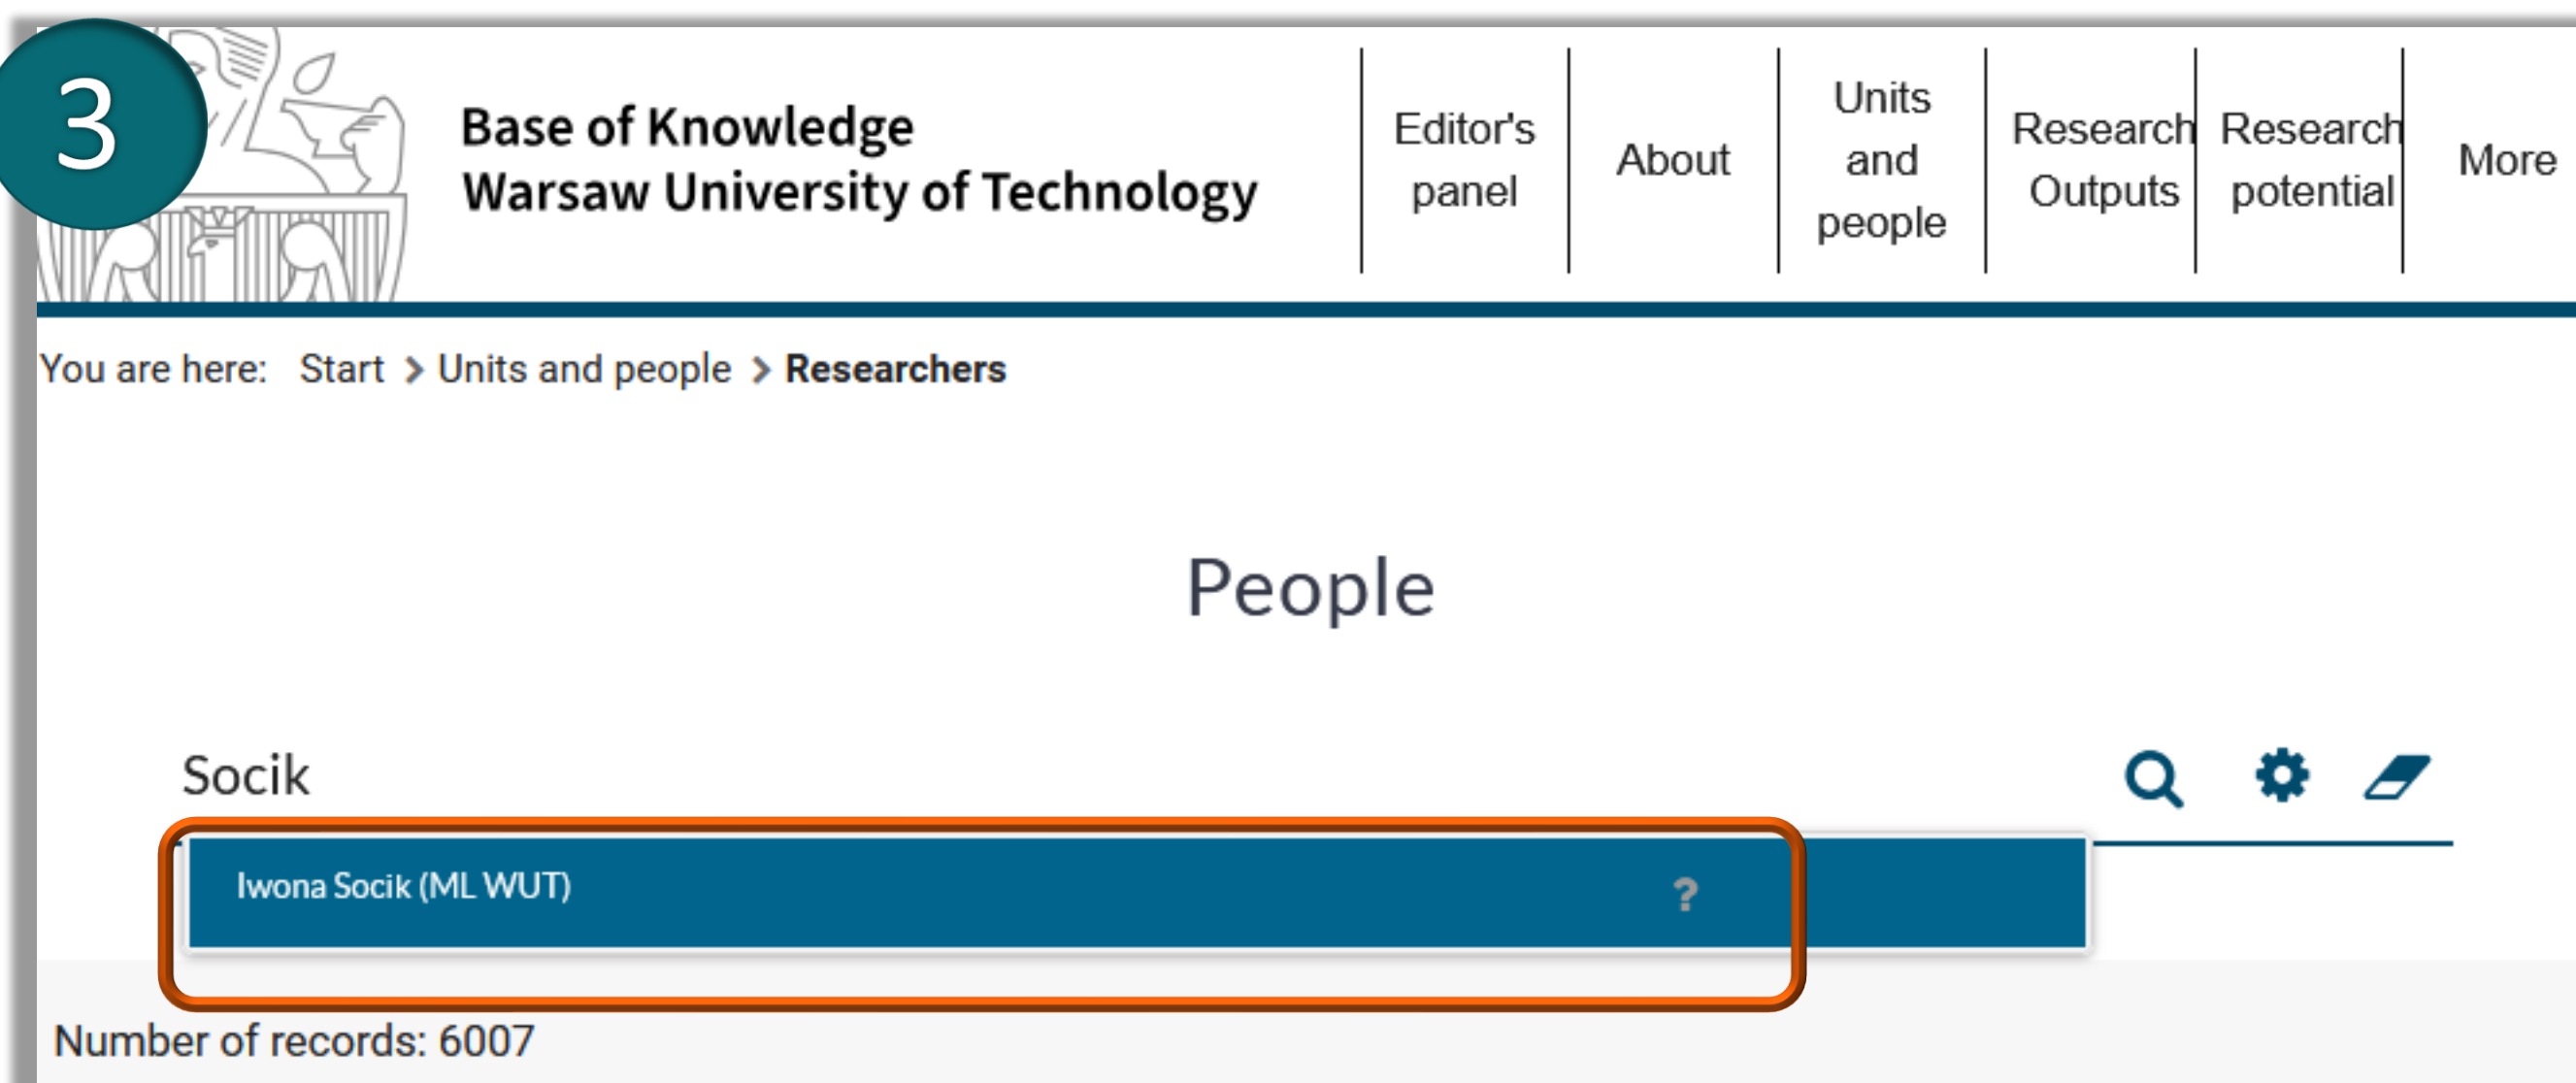

2

After logging into the Knowledge Base at WUT, find your profile

2. From the tab Researchers and units at WUT, select Researchers

3

3. Enter your last name and first name in the search box, then select the appropriate item from the drop-down list

If you cannot find your profile, please contact your faculty editor

4. Click on the Researcher Report icon

The screenshot shows a user profile page with a navigation menu at the top: Profile (selected), Publications, Promoted theses, Projects, Activities, Achievements, Citations, Statistics, and Cooperation. Below the menu are links for Mentoring offer and Evaluation.
